SECOND AMENDED AND RESTATED
DECLARATION OF TRUST OF
FIRST COMMONWEALTH MORTGAGE TRUST

ARTICLE ELEVEN

(a) Subject to the provisions of Section (c) of this Article Eleven, no person or persons acting as a group, may at any time, directly or indirectly, acquire ownership in the aggregate of more than 9.8% of the outstanding Shares of the Trust (the *Limit*). Shares owned by a person or group of persons in excess of the Limit at any time shall be deemed Excess Shares. For the purposes of this Article Eleven, the term *ownership* shall be defined in accordance with or by reference to the qualification requirements of the REIT Provisions of the Internal Revenue Code and shall also mean ownership as defined under Rule 13d-3 promulgated under the Securities Exchange Act of 1934 (the *1934 Act*), and the term group shall have the same meaning as that term has for purposes of Section 13(d)(3) of the 1934 Act. All Shares which any person has the right to acquire upon exercise of outstanding rights, options and warrants, and upon conversion of any securities convertible into Shares, if any, shall be considered outstanding for purposes of the Limit if such inclusion will cause such person to own more than the Limit.

(b) The Trust Managers, by notice to the holder thereof, may redeem any or all Shares that are Excess Shares (including Shares that remain or become Excess Shares because of the decrease in outstanding Shares resulting from such redemption); and from and after the date of giving of such notice of redemption (the *redemption date*) the Shares called for redemption shall cease to be outstanding and the holder thereof shall cease to be entitled to dividends, voting rights and other benefits with respect to such Shares excepting only the right to payment by the Trust of the redemption price determined and payable as set forth in the following two sentences. Subject to the limitation on payment set forth in the following sentence, the redemption price of each Excess Share called for redemption shall be the average daily per Share closing sales price if the Shares of the Trust are listed on a national securities exchange, and, if the Shares are not so listed, shall be the mean between the average per Share closing bid prices and the average per Share closing asked prices, in each case during the 30-day period ending on the business day prior to the redemption date, or, if there have been no sales on a national securities exchange and no published bid quotations and published asked quotations with respect to Shares of the Trust during such 30-day period, the redemption price shall be the price determined by the Trust Managers in good faith. Unless the Trust Managers determine that it is in the interest of the Trust to make earlier payment of all of the amount determined as the redemption price per Share in accordance with the preceding sentence, the redemption price shall be payable only upon the liquidation of the Trust and shall not exceed an amount which is the sum of the per Share distributions designated as liquidating distributions and return of capital distributions declared with respect to unredeemed shares of the Trust of record subsequent to the redemption date; and no interest shall accrue with respect to the period subsequent to the redemption date to the date of such payment.

(c) The Limit set forth in paragraph (a) of this Article Eleven does not apply to acquisitions of Shares pursuant to a cash tender offer made for all outstanding Shares of the Trust (including securities convertible into Shares) in conformity with applicable federal and state securities laws where a majority of the outstanding Shares (not including Shares or securities convertible into Shares held by the tender offeror and/or any affiliates or associates thereof within the meaning of the 1934 Act) are duly tendered and accepted pursuant to the cash tender offer; nor shall the limit apply to the acquisition of Shares by an

underwriter in a public offering of Shares, or in any transaction involving the issuance of Shares by the Trust, in which a majority of the Trust Managers determine that the underwriter or other person or party initially acquiring such Shares will make a timely distribution of such Shares to or among other holders such that, following such distribution, none of such Shares will be Excess Shares. Notwithstanding anything contained herein to the contrary, the Trust Managers in their discretion may exempt from the Limit the issuance by the Trust for any valid Trust purpose, and the ownership of certain designated Shares while owned by a person who has provided the Trust Managers with evidence and assurances acceptable to the Trust Managers that the qualification of the Trust as a REIT would not be jeopardized thereby, or the Trust Managers are otherwise assured that such issuance and/or ownership would not jeopardize such REIT status.

(d) Notwithstanding any other provision of this Declaration of Trust to the contrary, any purported acquisition of Shares of the Trust which would result in the disqualification of the Trust as a REIT shall be null and void.

(e) Nothing contained in this Article Eleven or in any other provision of this Declaration of Trust limits the authority of the Trust Managers to take such other action as they deem necessary or advisable to protect the Trust and the interests of the shareholders of the Trust by preservation of the Trust's qualification and tax benefits as a REIT under the REIT Provisions of the Internal Revenue Code.

(f) If any provision of this Article Eleven or any application of any such provision is determined to be invalid by any federal or state court having jurisdiction over the issues, the validity of the remaining provisions are not affected and other applications of such provision shall be affected only to the extent necessary to comply with the determination of such court. To the extent this Article Eleven may be inconsistent with any other provision of this Declaration of Trust, this Article Eleven is controlling.

(g) The Trust shall be authorized to offer to purchase its Shares from time to time at the discretion of the Trust Managers, at such purchase prices, at such times, and with such other conditions or restrictions, as the Trust Managers may determine reasonable and in the best interests of the Trust and its shareholders, and where applicable, with approval of such shareholders whose shares are purchased, subject in all cases to applicable law.

ARTICLE TWELVE

The Unaffiliated Trust Managers determine at least annually that the total fees and expenses of the Trust are reasonable and in accordance with the provisions of the Trust's Bylaws pertaining to such fees and expenses.
